Travelling to Unitbases & Locations

- ☆ You must **always be prompt** and allow plenty of time to travel.
- ☆ In case of emergency, you are lost or delayed, **please call the Celex mobile.**
- ☆ In the event you cannot attend a job, you **must** give us as much notice as possible - even if it a call in the middle of the night, as we would have to find a replacement for you.
- ☆ Expect that you may have to drive from the base to a location.
- ☆ We recommend you take a small cash float, to cover any unexpected parking, canteen or miscellaneous expenses.
- ☆ Please keep your mobile on whilst travelling, in the event that we, or the 2nd AD need to contact you.
- ☆ Please **download the What3Words app** (see *next section*).
- ☆ **Go alone** – under no circumstances must another person/child/pet be taken to any job along with you –if you are relying on a lift please be aware that they will not be allowed to hang around at the unit base or studio whilst you are working – **this is a dismissible offence.**
- ☆ **Find the AD** to report to when you arrive and check in.

What is the What3Words app?

We will always give you a full address of the

location but it is your responsibility to plan your route ahead.

Do not rely solely on a SatNav and postcode.

Wherever possible, we will provide you with the ['What 3 Words'](#) location.

This is most accurate way to direct you and it will give you a pinpoint location of 3m×3m.

We **strongly recommend** you download the app, or you will risk getting lost or delayed.

Representing Celex While on Set

- ☆ You must always conduct yourself in a **professional manner** – never ask for an autograph – never take a camera/phone on set – never ask members of the crew for further work or take your CV – respect the privacy of the actors and do not approach them – any of these will result in **instant dismissal** and non-payment for that day.
- ☆ The **ADs** (assistant directors) are in charge and are there to look after you and your safety, and to ensure that filming goes smoothly. **Please listen to what they and the runners say.**
- ☆ **Don't go off set** without permission from an AD. You need to stay on-set, or where

instructed by the ADs and runners, even if you are not being filmed. You may be needed later, and you're still being paid for your time.

☆ If you need to leave set for any reason (to go to the toilet, to make a phone call, or for any other reason) please **check with ADs** or runners first - you may be about to be called to set.

☆ Don't plan anything in the evening of a booking as we can **never guarantee** a wrap time. You must do all the hours you're needed for on set and stay until you are released. The days maybe longer than you expected so please be prepared for this. If you go over the set hours, you will be paid overtime.

☆ **PLEASE DO NOT TAKE ANY PHOTOS ON-SET OR POST ANYTHING ON ANY SOCIAL MEDIA.**

☆ Be prepared for **waiting around** and be patient and polite. Take a book/tablet to keep yourself entertained.

☆ Take snacks!!

☆ Be as **quiet and attentive as possible**, do not talk or whisper on set, while filming is taking place.

☆ Mobile Phones must be **switched off** on set.

☆ It is **against the law** to smoke in any public building or on location or studio unless it is a designated smoking area and you must ask permission beforehand.

☆ Make sure you fill in your **name**, **address**, **telephone number** and **NI number** on your chit, and sign it to ensure you are paid. You must always sign out after a shoot and always check that **times**, **grade** and any **special skills** are correct—if you have any queries you must mention it at the time.

☆ **Make sure you have fun!**

Information on Costume:

☆ Always take at least **3 changes** of clothes per role, per job.

☆ Take your clothes with you, so the costume designer can see what you have.

☆ It may be an idea to take a small suitcase, with your **ironed clothes** inside, to avoid them becoming creased.

☆ Always check which **season** the scenes are set in. This information is usually in your call times message but please ask us, if it is not.

☆ Avoid logos, black, red, white, spots, stripes and any other vibrant colour or patterns on clothes, unless requested.

☆ If you are given a costume to wear, **you are responsible** for keeping it in good condition and for returning it to the costume department, after filming.

☆ If you are wearing a wig/hair accessory never remove it yourself. Please wait for

costume or make-up to remove it for you.
